

Basic: Requires Basic Financial Influence. Reduces cost of Basic Financial to 0 Mind and 30 seconds so long as the character references the journal during the roleplay.

Proficient: Requires Proficient Financial Influence. Spend 5 Mind instead of 10 Mind to invest in a second financial institution as per Proficient Financial Influence. Can be used once per event regardless of number of Bookkeeper's Journals owned.

Master: Requires Master Financial Influence. May receive up to 15 Local Currency rather than 10 Local Currency if successful in a Master Financial Influence mission.

Fiscal Mysticist: Spend 20 Mind or 1 Resolve to go to the Public Works and roll the item randomizer. For 40 Local Currency user may receive this item. May use this advantage once per event regardless of number of Accounting Journals owned. (This blueprint will be adjust at a later date)
