

Basic: Lose 1 Resolve; for the next 5 minutes user may call 'No Effect Delayed' when targeted by a 'Mangle Limb' effect from any source. After the duration ends any limbs so targeted immediately break and the user gains Downsurge: Keyword - Undead. This Downsurge cannot be resisted. Crafting creates 3 injectables.

Artisanal Cuisiner: When crafting spend 1 Resolve and expend 1 extra Jimsonweed to create 1 extra injectable of this type.
