

Basic: Attach card to an envelope. Up to 20 pages of text can be placed into the envelope with a code attached to the letter and the cards. Only players with Basic Larceny can read the contents of the coded letter envelope.

Proficient: Attached card to an envelope. Up to 20 pages of text can be placed into the envelope with code attached to the letter and the card. Only players with Proficient Larceny can read the contents of a coded letter envelope. Replaces benefits of Basic crafting.

Master: Attached card to an envelope. Up to 20 pages of text can be placed into the envelope with a code attached to the letter and the card. Only players with Master Larceny can read the contents of a coded letter envelope. Replaces benefits of Basic and Proficient crafting.

Inner Circle: Spend 20 Mind to add a Society name to 'Encoded Letter Network' when created. Anyone with that Society Membership can read contents of envelope instead of requiring Master Larceny.
