

**Basic:** All targets within the protective cage may call immune to any calls of 'By my voice, Devour 5 mind.' No abilities, skills, or effects other than meals and brews may restore mind while inside the protective cage. In addition, if the protective cage has been applied in the same space as a Moulen rouge security system the Abyssal Rift ability may not be used to enter, or leave, the confines of the Security system if the pfa ability of the Security system has been activated. This room augment stacks with other room augments and may be applied to the same space as an existing room augment.
