

Basic: User may spend 5 Mind when using proficient hunting to extend the life of a single Produce: Meat, Fish, or Shellfish. This process requires 12 hours of drying time. Up to 15 produce may be used with the dehydrator at a time. After 12 hours have passed the user may collect an equal number of Gizmo: Dehydrated . This Gizmo has an expiration of 3 months and counts as the original Produce for purposes of crafting. This process removes any other benefits of the original produce.

Incinerator: an Incinerator may spend 1 Resolve to make drying process instant.
