

Basic: Spend 20 Mind and 1 Resolve to emBody a completely different identity. The identity lasts for 24 hours and requires a full costume makeup and identity change. If questioned in any fashion the Shadow may answer as this new identity rather than as their true identity. Death does not end this effect. This effect is considered a disguise.

Proficient: Counts as having a Gizmo: Proficient Lock on all entrances into the room. Anyone who is staying in that room is considered to have access to the space. List of names may be kept if needed. Replaces the benefits of Basic crafting.

Master: Counts as having a Gizmo: Master Lock on all entrances into to the room. Anyone who is staying in that room is considered to have access to the space. List of names may be kept if needed. Replaces the benefits of Basic and Proficient crafting.

Overlord: Spend 20 Mind or 1 Resolve while within this room to call 'Initiate Lockdown - No Escape nobody may enter or exit this room Five Minutes'. No doors windows or other entrances to the room may be opened or broken for five minutes and everyone within the room is under the effect of No Escape.
