Basic: Spend 1 Resolve to call 'Area of Effect Knockback 20 self-immune'. can only be used once per 5 minutes.

Proficient: Requires Lore: Wasteland Science. Spend 5 Mind to disarm and recover a Proficient or below crafted trap from an unopened container.

Master: Requires Master Education. Spend 10 Mind and 10 minutes of Active Role-Play on a weapon or shield item card with the matching blueprint to recover 1 scrap that goes into the making of the item chosen by the player. The original crafted item card is destroyed.

Sage: A Sage is considered to meet all prerequisites for copying a blueprint while in the Research Center.
